St Matthew's RC Primary School, Alnwick Grove, Jarrow, NE32 5YT

### Information for Parents/Carers and Pupils (Version 4) 4/3/2021

Our Mission Statement is central to the life of our school;

#### Welcome to our happy school, where everyone is valued and given the opportunity to 'Let their light shine'. With Jesus in our hearts, we encourage love and respect for all. We strive to reach our goals, as we learn, and grow, in a safe and enjoyable environment.

St Matthew's Primary School wishes to assure you that every possible measure has been put in place to ensure the safety and well-being of pupils, staff, parents/carers and visitors in preparation for another re-opening of the whole school on 8 March 2021.

PLEASE NOTE - There have been some minor adjustments made for the Junior (Years 3,4,5,6) afternoon pick up arrangements.

As a school we were informed by the Department for Education (DfE) that we were required to re-open for all pupils after this latest lockdown on Monday 8 March 2021. We are opening after considering all of the relevant guidance and having completed an update of the South Tyneside approved Risk Assessments to assist in the safe re-opening of St Matthew's RC Primary School. The safety and wellbeing of our pupils, staff and extended school community is at the forefront of all our forward planning.

School morning drop off from Monday 8 March 2021 ONWARDS

INFANT GATE entrance for Reception ,Year 1 and Year 2 open from 08.40 to 09.00 JUNIOR GATE entrance for Years 3,4,5 and 6 open from 08.40 to 09.00

### PLAN FOR THE END OF THE SCHOOL DAY at 15.20 from Monday 8 March 2021 ONWARDS

**Reception, Year 1 and Year 2 Infant entrance gates to the infant pathway** will open at 15.00 so parents/adults collecting children can enter the school playground area – staff will be on hand to assist. **Children** will be collected from their Infant Playground area (Yard) and will have an allocated zone. They will be accompanied by their teacher to this zone and then handover will take place. Parents or other adults collecting children must gather, keeping a social distance, in their allocated zone on the playground. Staff will be on hand to assist parents/other adults during this time.

**Years 3, 4, 5 and 6 Junior entrance gates to the junior pathway** will open for entry at 15.00 until 15.10 -after this the pathway will be exit only. **Adults arriving after 15.10** will have to enter school via the infant pathway and keep to the outside of the Infant Playground to walk around to the junior playground. Exit will always be via the junior pathway. Children will be collected from the Junior Playground (Yard) and each class will have an allocated zone. They will be accompanied by their teacher to this zone and then handover will take place. Parents or other adults collecting children must gather, keeping a social distance, **around the perimeter** of the playground and outside of the markers on the ground. PLEASE don't gather in the numbered quadrant where the children will assemble. Staff will be on hand to assist parents/other adults during this time.

PLEASE don't wait for your child outside of the school grounds - they **must be collected from the school playground area**. Please do not bring dogs on to the school site. Please ensure you inform all family members of these arrangements.

If you are allowing your Year 6 child to walk /cycle home unaccompanied by an adult this must be confirmed in writing to Miss Wiblin before we can allow them to journey home unaccompanied. It is once again a learning curve for us all so we would appreciate your support and patience to aid the smooth running of this process. PLEASE WEAR A FACE COVERING AT ALL TIMES ON THE SCHOOL SITE and RESPECT THE SOCIAL DISTANCING GUIDELINES STILL IN PLACE.

How we make St Matthew's school safe	
<ul> <li>Bubbles:</li> <li>School will be divided into year group 'bubbles'.</li> <li>The bubble structure will help to reduce the number of people that pupils and staff are with, helping to keep them safe.</li> <li>Each year group bubble will work in their classroom.</li> <li>They will have a designated entrance and exit, hand washing/sanitising stations shared with some of the other year group bubbles.</li> <li>Within each bubble pupils will work alongside other pupils in their bubble – with distancing promoted where possible.</li> </ul>	<ul> <li>Hygiene and cleanliness</li> <li>We will have additional hand sanitizer stations available at all of the entrances and exits to the school buildings.</li> <li>Classrooms, toilets and doors will be monitored and refreshed between sessions with a full clean clean each day.</li> <li>Classrooms will be provided with tissues, paper towels, hand sanitizer and PPE for staff should the need arise.</li> <li>Bins in all areas will be regularly emptied.</li> <li>Classroom doors and windows will always be open to aid ventilation.</li> <li>Children will be washing their hands as and when required.</li> </ul>
<ul> <li>Travel to and from school</li> <li>-If possible, we are asking pupils to walk or cycle to and from school.</li> <li>They must only walk to school with members of their household.</li> <li>If they see friends on their way, please maintain social distancing.</li> <li>If they are travelling in a car with people, including other pupils, they should only travel with members of their own household.</li> <li>When using public transport, pupils should wear face masks/covering if required and should minimise the surfaces they touch.</li> <li>Pupils should not travel in groups to school.</li> <li>Parents/Pupils should not congregate outside of school ahead of the official opening time of 08.40.</li> </ul>	Entrance to school Members of staff will be in attendance at all entrances to 'meet and greet' and guide pupils and parents/other adults in the 'right' direction at the start of the day 08.40 to 09.00. PLEASE OBSERVE SOCIAL DISTANCING REQUIREMENTS. - Children will be directed by their teacher when they can enter the building. - Pupils will sanitise their hands using the hand sanitizer station (available at all entrances) before entering the school building, staff will be available to oversee the correct use of the sanitising station. - Directional markings on the infant (Rec, Y1 and Y2) pathway will aid the flow of people entering and exiting the school premises. - 2 m markings in school corridors will aid social distancing. - Clear signs to remind students about hygiene and social distancing are visible throughout the school.

<b>Behaviour expectations (Pupils)</b>	<u>Attendance</u>	
These are <b>exactly the same</b> as usual, here are some	-If pupils have any of the following symptoms, they	
reminders:	must stay at home and you should contact school to	
- Be respectful of each other and all staff.	let us know:	
- Follow instructions as soon as you are asked to do	- Cough	
so.	- Shortness of breath or breathing difficulty	
- If you feel worried or have any questions, tell a	- Fever or chills	
teacher and we will help you.	- Muscle pain	
	- Sore throat	
	- New loss of taste or smell	
	-All absences must be reported promptly via option	
	1 when dialling 0191 4898355. If you need to	
	speak to a member of staff dial option 2 from 08.30	
	onwards.	
	School attendance from 8 March 2021 onwards	
	is mandatory.	

# **Ongoing support**

Some year groups will continue to use Google Classroom to assist with Homework. All children will be given an update on how to effectively access Google Classroom and we aim to support parents through this process too.

We will be supporting each child, age appropriately, as they return to school after such a long absence due to the pandemic and subsequent lockdown restrictions through our wellbeing programme. Initial transition back to full time education will focus on ensuring each child is happy and confident. Securing this may take some time but is vital to ensure we can pick up on their learning journey and start to make academic progress too. Teachers will be assessing individual needs (NOT TESTING) in all subject areas to establish starting points and progression plans for year groups, smaller groups and individuals. A recovery curriculum starts with the person not their academic attainment. We will use a holistic approach to ensure each child is empowered to continue their learning journey effectively. Teachers will keep parents informed of progress at all levels and you can be assured of their 100% commitment to do their best in very challenging circumstances for your child (ren). Parents - Please try not to stress about what you perceive your child has not done since December 2020 as they will pick up on your anxieties. Focus on what has been achieved! Let the staff at St Matthew's support your child from 8 March 2021 to successfully re-integrate into the daily routines of school – there will be tears and raised levels of anxiety (staff included!!) but as a home/school partnership we will work

# Visitors to School

School will be closed to all external visitors, other than the emergency services, social workers, education support staff from the Local Authority, contracted education workers from approved businesses and institutions and maintenance contractors if required for urgent repairs. This will always be by appointment.

with you and your child to overcome the challenges every child faces and get back to what we do best –

**Parents can only enter the school building via the main administration entrance**, this will be limited to one person/family group at any one time and a mask must be worn at all times when on the school site (adults only).

Please remember to use Parent Pay for the payment of school dinners.

providing opportunities for every child to 'LET THEIR LIGHT SHINE!'

If you require any forms or paperwork from school please telephone the office and they will ensure your child receives this to pass on to you.

If you need to speak to a member of staff, please telephone 0191 4898355 or email office@stmatthewsjarrow.co.uk.

**Safeguarding** 

If you have any child protection or safeguarding concerns, please contact Mr Martin Humble, Headteacher and Designated Safeguarding Lead (DSL) or in his absence Mrs Torley (Deputy Head and Deputy DSL)

0191 4898355 or email: <u>mhumble@stmatthewsjarrow.co.uk</u> or <u>mtorley@stmatthewsjarrow.co.uk</u>

All concerns will be addressed in line with our Child Protection and Safeguarding Policy.

This is our current plan and guidance which could be subject to change over time for operational purposes or where government and/or local government advice dictates.

We will endeavour to give you sufficient notice to any changes we are to make to the plan and guidance.

Martin Humble Headteacher <u>4 March 2021</u> <u>(Version 4)</u>
